Academic Awards:

**The William & Gladys
Partridge Award for
Child and Youth Care** University of Victoria
School of Child and Youth Care
June 1991
Victoria, B.C. Canada

Research Training Experience:

**Full-Time Faculty
Forensic Coordinator** Carlos Albizu University
Miami, FL
February 2008-March 2013

- Facilitator of the Carlos Albizu University Forensic Research Group.
- Conducted ongoing research in the areas of psychopathy with incarcerated populations, domestic violence, and violence risk assessment.

**Postdoctoral Research
Fellowship** Brown University School of Medicine
Providence, RI
July 1, 2000-June 23, 2001

- Assistant Project Manager of Rhode Island Site of a large Center for Disease Control funded study investigating the effectiveness of motivational enhancement and harm reduction techniques in the prevention of HIV and Sexually Transmitted Diseases in young men exiting prison.
- Supervised team of project interventionists in the application of motivational enhancement and harm reduction techniques with the study participants.
- Served as member of the Biological, Training, Supervision, and Assessment multi-disciplinary committees and publication groups.
- Manuscript preparation and data analysis.

Doctoral Dissertation Pacific Graduate School of Psychology
Palo Alto, CA
September 1997-February 2002

- Conducted research project for the purposes of dissertation. The project involved a Rorschach examination of the personality characteristics of incarcerated females.

Research Experience Cont'd:

- The data collection concerned the administration and interpretation of 82 Rorschach protocols, Psychopathy Checklist –Revised (PCL-R) and 11 self report measures designed to assess general personality structure and impression management.

Research Assistant Pacific Graduate School of Psychology
Palo Alto, CA
January 1994 - March 1996

- Research assistant to Dr. Bruce Bongar examining the distinguishing features of suicide and self-mutilation in forensic populations. Conducted literature search, data analysis, and assisted in research design.
- Authored an unpublished manuscript on jail suicide.
- Coauthored a chapter on suicide and self-harm behavior related to PTSD in Meichenbaum, D. (Ed.) (1994). A clinical handbook and practical therapist manual for assessing and treating adults with posttraumatic stress disorder. Waterloo, Ontario: Institute Press.

Research Assistant Menlo Park Veterans Administration
Menlo Park, CA
February 1994 - August 1995

- Interviewed research subjects participating in a study of family information processing of conflictual conversational topics.

Research Assistant Stanford University
Palo Alto, CA
October 1995-October 1996

- Research assistant to Dr. David Rosenhan investigating the effects of vocational training on the recidivism rates of incarcerated juvenile offenders.
- Site manager of a study investigating vocational skills with juvenile delinquents.
- Data collection, analyses, and manuscript preparation.
- Supervision of undergraduate intervention specialists

Research Experience Cont'd:**Research Assistant**

University of British Columbia
 Vancouver, B.C., Canada
 September 1992 - July 1993

- Research assistant to Dr. John Yuille examining the moral development of adult sex offenders.
- Research assistant to Dr. Yuille examining the decision-making strategies employed by Juvenile Court judges. Duties included: assisting in research design, data collection, data analyses and literature review.
